Family Connection

FEATURED

The Role of Community in Sacraments: The Eucharist - When a community of believers gathers, especially to celebrate the Eucharist, the group becomes a liturgical assembly. Believers are encouraged to be more than mere observers. Bishops at the Second Vatican Council sought to facilitate active participation of all the faithful in the Mass and other liturgical rites through mandated changes.

How We Know God's Will: Free Will - God wants humans to come freely to his love. Free will gives you the power to make choices and to act on them. This is both the right and the responsibility of Catholics trying to be disciples of Jesus. Humans don't always choose to do good. Sometimes they choose to sin.
