

FAMILY CATECHESIS PROGRAM CALENDAR 2022 – 2023

HYBRID LEARNING

The Family Catechesis Program is a hybrid model of learning that incorporates in-person large group and classroom instruction, and homebased instruction provided by parents.

Each month focuses on a single **Unit**. A **Unit** consists of five **Sessions** (i.e., chapters) in the student textbook centered around a **Theme**. The **Theme** is the same across all grade levels (1 – 6). For example, the **Theme** for **Unit 1** is **God, Our Creator & Father**. All students in grades 1 – 6 will be exploring various aspects of this **Theme** across the five **Sessions** in that **Unit**.

- Our session start time 11:00 AM and begins with light refreshments in the parish hall, followed by prayer and introduction of the Unit Theme with parents and students.
- At roughly 11:20 AM students move to the classroom with their catechists for the presentation of the first Chapter of the Unit that is being covered that month. Parents remain in the hall and engage in a presentation and discussion on that month's theme and how to present the material at home to their children.
- All PowerPoints and resources presented during the parent session are posted in the student's Google Classroom for parents to access if needed during the month.
- Students complete and online interactive review for each Chapter completed at home and submit it via email to their Catechist. These are reviews and not formal assessments. They will be noted for completion, but will not be graded.
- Students will complete a paper Unit Assessment at home and bring it with them to the next monthly session where their Catechist will go through the Assessment with students and provide feedback to parents on any areas that may need reinforcing or further review. These Unit Tests will be graded.

Catechist will use Google Classroom to post material, such as links to the Unit Review, At-Home Parent Guides, links to online resources, and other resources to assist parents and students at-home learning, but parents will typically work independently with their children at home on the completion of the four remaining Sessions for the Unit.

During the months of December and March, our Sunday session will focus on a seasonal theme related to Advent/Christmas and Lent/Easter respectively. Resources will be provided to families during these months to help them celebrate these seasons of the Church in their homes. No Units in the textbook will be due during these months.

RE: Students in Grade 7

Students in Grade 7 use the **Chosen** textbook which is explicitly directed towards preparing them for reception of Confirmation, and provides a comprehensive review of the Catholic faith. Therefore, the **Unit** and **Theme** aspect mentioned above does not pertain to them. However, the assigned chapters for the month are the same. While there are no formal assessments for the Level 7 class, there will be monthly reflection questions based on the textbook that students will be required to complete. These questions and all other Confirmation related assignments will be posted in Google Classroom and will be used to gauge student progress and preparation for Confirmation.

ADDITIONAL PROGRAM REQUIREMENTS

Families are expected to complete the following before the end of the program year, May 31:

- At least two **Acts of Mercy**
- At least two **Spiritual Activities**
- Children in Grades 3 – 7 are to receive the sacrament of Penance at least once.
