

Arrival and Dismissal Procedures

The Lower Moreland Police Department has once again offered their services to us during arrival and dismissal. We ask that all families comply with the arrival and dismissal procedures established below in order to ensure the safety of students. Please follow the direction of police officers and those volunteers who are assisting in the parking lot.

ARRIVAL PROCEDURES

- All cars enter the driveway closest to Pine Road (the drive by the white home).
- If you are dropping off your child, please follow the direction of the volunteers and pull your vehicle into the carline alongside the church ramp to drop off your child.
- All children are to exit the driver's side of the vehicle once the car reaches the ramp. For the safety of children, please do not allow your child to exit passenger side of the vehicle while in the carline.
- To ensure the safety of children, all vehicles must remain in the carline.
- If you are walking your child to the school entrance, please park your car, facing Welsh Rd, in the marked spaces of the parking lot and proceed to the front entrance of the school.
- Children enter by way of the front door of the school building which is located to the right of the church entrance. Volunteers will be on hand to assist students as they arrive. Parents are not permitted to walk their children to class or enter the school building.
- Drop-off or pick-up is not permitted behind the school in the parking lot by the gym. This area is very busy with traffic for various events and practice times for the gym and is only permitted to be used as a drop-off or pick-up area for students with special needs. All families are asked to be respectful of this policy.
- All vehicular traffic is to exit via the driveway closest to the church following drop-off.
